

REMOLE  
WOODEN LIGHTS

REMOLE  
WOODEN LIGHTS  
CATALOGUE 2024

# O U R S T O R Y

Remole was founded by a group of talented designers who were drawn to the natural beauty and durability of teak wood. We wanted to create a lifestyle brand that would bring a touch of nature into people's lives through beautiful, functional design.

Loop | Chandelier | Teak

Crescent Floor Lamp | Teak

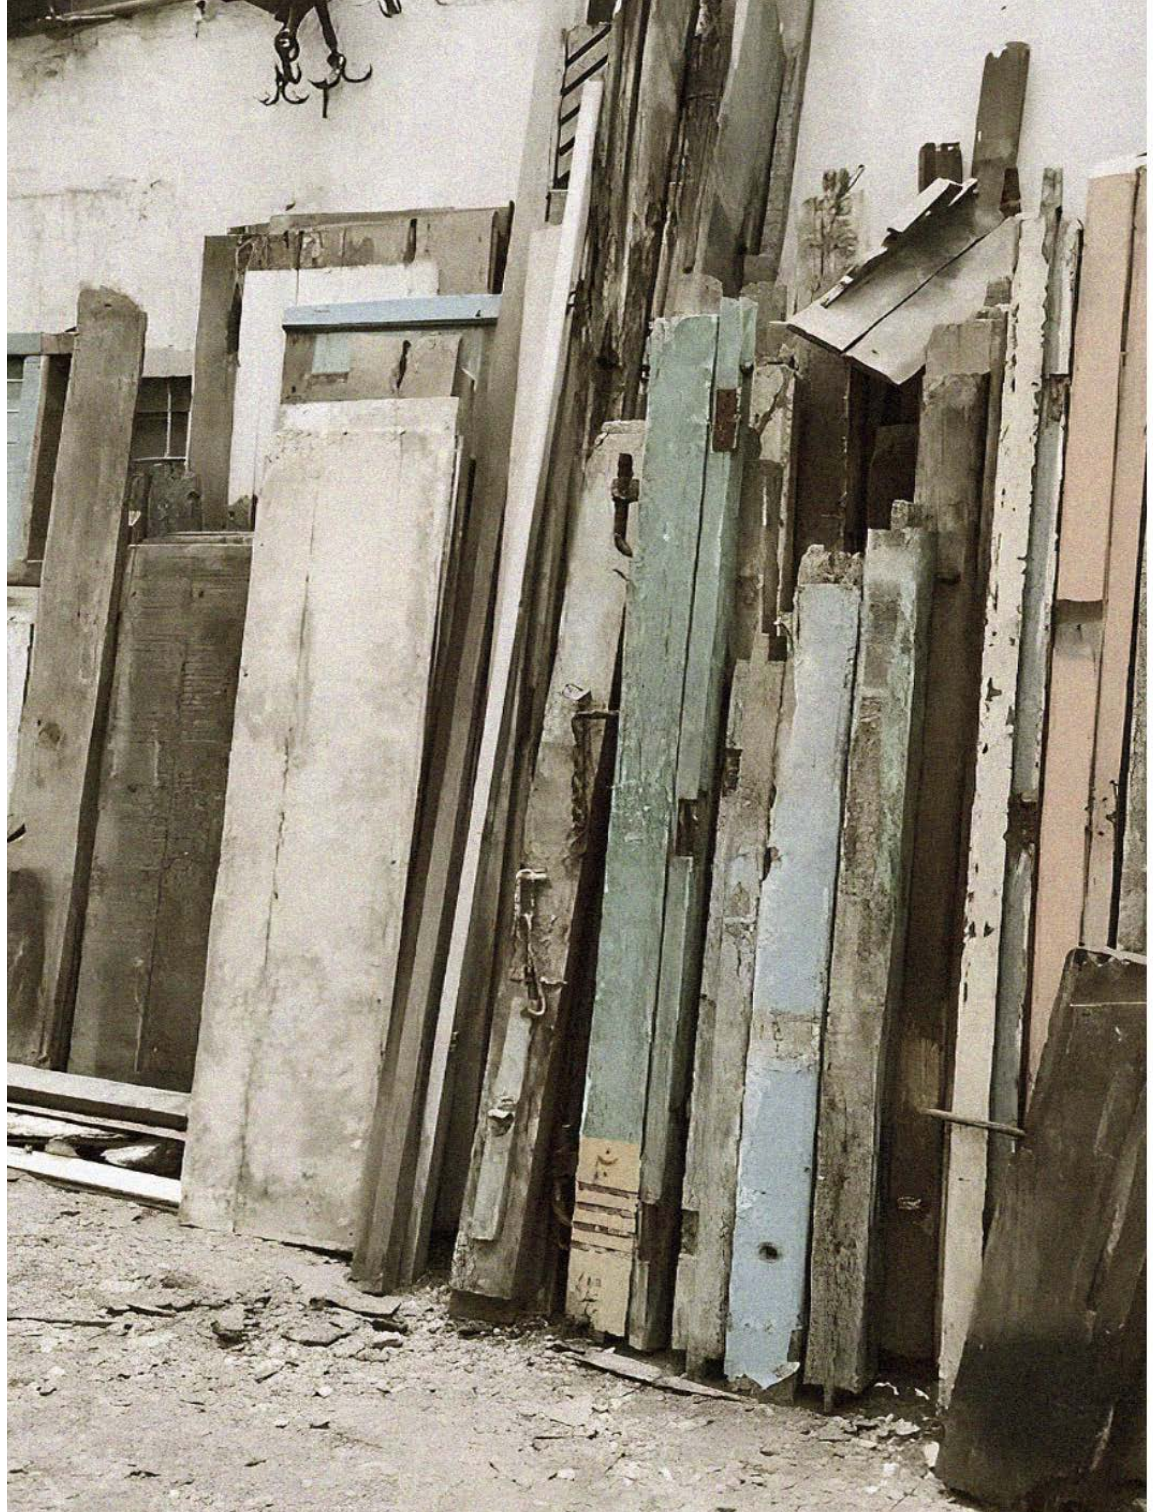

# INTRODUCTION

Remole is a lifestyle brand that designs and manufactures sleek, minimally designed teak wood lights for residential and commercial use.

# ECOCONCIOUS

At Remole, we are deeply committed to sustainability and believe in creating lighting solutions that are not only aesthetically pleasing but also environmentally conscious. We take pride in our approach to using reclaimed wood, which plays a significant role in our commitment to sustainability.

# B E S P O K E

Remole takes pride in its unmatched level of customizability, providing clients with the opportunity to discover their ideal luminaire for any space. We recognize that every project possesses its own distinct requirements, prompting us to adopt a personalized approach.
