O U R S T O R Y

We started our journey in lighting products in year 2021 and have been providing solutions by incorporating natural material with digital fabrication to light up your spaces with touch of modernity.

R E M O L E

OUR TAKE ON SUSTAINABILITY

At Remole, we are deeply committed to sustainability and believe in creating lighting solutions that are not only aesthetically pleasing but also environmentally conscious. By using 30-40 year old reclaimed wood, we reduce waste and environmental impact while adding unique character to each fixture.
